In each of its offices in Europe, Asia, North America and Africa, Gide Loyrette Nouel puts its comprehensive knowledge of local markets, its regional expertise and the resources of an international law firm to the service of its clients. Gide Loyrette Nouel is regularly referenced in international league tables.

Our international presence also extends to Central and Eastern Europe (Bucharest, Budapest, Istanbul, Kyiv, Moscow, Saint Petersburg and Warsaw), Asia (Beijing, Hong Kong, Shanghai, Hanoi and Ho Chi Minh City), and North Africa (Algiers, Casablanca and Tunis), where our lawyers routinely offer a service that is both global and local.

Our commitment to the worldwide business community is reflected in our client base, which comprises international or overseas-based private or publicly quoted organisations. We advise foreign investors, banks, international institutions, public authorities and leading local business groups on all the legal issues raised in the course of their investments and commercial and financial transactions.

Gide Loyrette Nouel

In a Class of our Own

Gide Loyrette Nouel offers a rare if not unique combination in today's legal marketplace:

- a firm at the leading edge of the practice of civil and common law,
- comprising lawyers drawn from 40 nationalities, admitted to more than 75 bars, all dedicated to best serve their clients in one single firm,
- within a true partnership ethos, thus building a strong internal culture of trust and collegiality.

A Distinctive International Strategy

Building on the leading market position we have retained for decades in France where our origins lie, our expansion across the globe is the result of a carefully defined business model, focused on being present:

- at the source of European law (Brussels);
- in selected financial centres (London, New York, Hong Kong);
- in the main Eastern European countries;
- in major countries entering the market economy (China, Russia);
- in rapidly emerging economies (North Africa, Vietnam).

As such, and despite a significant increase in competition over the years, Gide is the only law firm in Continental Europe to rank No. 1 in its historical base, and to reach across four continents.

Our Firmwide Practice Groups combine local knowledge with global best practice and link our offices in servicing our clients worldwide in areas such as:

- Banking & Finance
- Competition / International Trade
- Dispute Resolution
- Employment
- Insurance, Industrial Risk & Transport
- Intellectual Property, Telecommunications, Media & Technology
- Mergers & Acquisitions / Corporate
- Projects (Finance & Infrastructure)
- Public Administrative Law
- Real Estate
- Tax

In any location where we do not have an office, we maintain close relationships with the best law firms in the region.

Gide is also a member of Lex Mundi, an international network of over 160 other independent firms, each ranking best in its local jurisdiction. Together, we provide full multi-jurisdictional integrated advice.

This optimum model offers our clients the most efficient and consistently high quality service they are entitled to expect.
