

DISTINCTIONS

Le cabinet Gide est régulièrement classé parmi les meilleurs cabinets d'avocats d'affaires par la presse juridique française et internationale.

Depuis de très nombreuses années, *Chambers* et *Legal 500* distinguent systématiquement une cinquantaine de nos avocats dans leurs domaines de compétence et juridictions respectifs dans leurs différents guides.

« French powerhouse Gide Loyrette Nouel AARPI continues to excel in both legal prowess and outstanding client service. Offering clients extensive coverage of the French legal landscape, the firm has recently achieved further market recognition for its services in financial regulation. A strong choice for high value transactions, it continues to offer top-tier practices in a diverse range of areas, including banking & finance, venture capital, intellectual property, real estate and public law. The firm recently advised Agence des Participations de l'Etat (APE) on the EUR1.7 billion privatisation of the Nice and Lyon airports. »

Chambers Europe Awards 2017

« With a string of high-profile public company transactions, Gide had a particularly strong deals year in 2017 which, coupled with ongoing internal modernisation of its processes, leaves the firm in robust shape for the coming years. Always one of the most expansionist of French firms, Gide became the first international law firm to obtain a licence to open a branch office in Tehran and practise under its own name in Iran; further international investments are planned in Cairo. Internally, the firm is taking gender diversity seriously with a target of 30 per cent female partners by 2025. »
