

## The Gide Securitisation and Asset-backed Finance Team

With over 30 years of experience, Gide is an international leading law firm acting for many French and international financial institutions, as well as large international corporates active in all different fields of asset and asset-backed finance. The expertise of Gide extends to many assets classes, including trade receivables, consumer loans, SME loans, whole-business securitisations, RMBS, NPLs and CLOs. Gide can assist its clients in French, English and New York law with integrated legal and tax teams in Paris, London, Brussels and New York.
